## Introduction

Our home is set in a riverside location in the city centre of York and offers five guest rooms. The house is a Victorian property and whilst we aim to meet the needs of all our guests there are some period features which may make access difficult for people with limited mobility. There are three steps into the house and all our guest rooms on the first floor which is accessed by a steep flight of fourteen stairs. The doors and stairs make the property unsuitable for wheelchair users.
